Genealogy
of the
Mountz Family

The descendants of
JONAS MOUNTZ
and
Magdalene Fetterhoff

This brief genealogy of the Mountz family is dedicated to the loving memory of my father and mother, Jacob and Emma Ward Mountz, and to my many kinsfolk who have contributed the information compiled herein. This work has renewed acquaintances with many of you, and I feel that I have made acquaintances with many of the younger members of the family.

I regret any omissions or errors, but have printed this history on one side of the page only, so that any corrections or additions may be made on the opposite side. I am interested in correcting my personal copy and keeping it up to date, and would appreciate any corrections or additions that any of you may have from time to time. This has been a most pleasurable experience, and I hope you may derive both information and pleasure from this work.

Sincerely,

Mrs. Bertha Newnam
